

About Us

Born from a spirit of community advocacy in 1994, Murray Mallee Aged Care Group continues to provide in-home services, social support and a retirement living village for seniors in the rural and remote regions of the Murray Mallee and Riverland.

Our care with a community heart now also embraces the Adelaide metro area.

We proudly offer Level 1 to 4 Home Care Packages (HCPs) to our local seniors, Aboriginal communities (under the Tumpinyeri Program), and anyone in need of a helping hand to maintain independence. Our HCPs are operated under the Consumer Directed Care model, where our support workers all hold a Certificate III in Aged Care, First Aid, and a police clearance.
